**WOULD YOU DARE DO A JOB LIKE THIS?**

**A** Mike Rutzen has one of the most thrilling occupations you could possibly imagine. He is an expert in the secrets and behaviour of one of the most powerful and feared natural predators on the planet, the great white shark. Once a fisherman who was scared of this mysterious animal, Mike has learnt to admire and understand great whites, and now, he spends a large part of his time in their company. Mike's passion for sharks goes beyond the limits of most shark experts, though. Believe it or not, Mike doesn't simply observe sharks in a tank or in the oceans; he actually pets them, plays with them and even hypnotises them. He has developed such a special bond with sharks that he is now known as *The Sharkman*.

**B** Rutzen is not a scientist. In actual fact, he taught himself everything he knows about sharks. He was brought up on a farm in the South African countryside and knew nothing about sharks until he started working as a fisherman off the coast of Gansbaai, a fishing village near Cape Town. As tourism developed in the area, there arose a need for experienced boat skippers to take tourists out to see the sharks. Despite his natural fear of sharks, Mike gradually came to love
