

Letterfun

Letterfun is an innovative approach to alphabet teaching for young learners of English. Young learners are introduced to the English alphabet through a variety of activities including nursery rhymes, games and TPR songs. Letterfun activities and songs use full-color illustrations and are accompanied by a fully-dramatized CD.

Letterfun consists of twenty-three lessons of two pages each. Letterfun can be used independently or as an introduction to a Pre-school or Elementary course. The Letterfun alphabet book introduces the letters pictorially reinforcing the shape and the sound of each letter. Further consolidation of the letters is achieved through a wide range of activities and popular children's songs. At the end of the book there are Picture Word Cards for further review of the letters. Letterfun guarantees an enjoyable and thorough learning experience!
