INTERNATIONAL Women's DAY

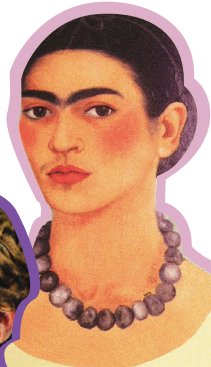

8
March

On 8th March every year, people around the world celebrate **International Women's Day**. On this day, we remember strong women from a long time ago, like Cleopatra **Pharaoh** of Egypt, and **Queen Elizabeth I** of England. We also think about women that did great things, like the pilot **Amelia Earhart** and the artist **Frida Kahlo**. Most of all, International Women's Day is a chance to celebrate all the **women** and **girls** in our lives. We can give them **gifts** or **flowers**, send them **cards** or **messages**, or call them and tell them how special they are.
