Farmer: Don't worry, my sons. We have enough money to have a good life!

Sergei: As long as we can have nice clothes!

Narrator: Andrei and Sergei are very clever, but Ivanushka is not as clever as his brothers. He is not like his two brothers. When he is at home, he spends most of his time sitting near the kitchen stove.

Ivanushka: I think I'll go to the forest again to collect some mushrooms!

Andrei & Sergei: You're always going to the forest, Silly Boy!

Ivanushka: Father wants me to bring back some big mushrooms! Don't you father?

Farmer: Ivanushka you are a kind young man. You've got such a big heart!

Let's Sing!

Chorus

Narrator: There is only one field on the farm, but it is full of tall, golden wheat. The farmer is very proud of his wheat.

Farmer: My wheat is like gold! It is the best wheat in the land!

Andrei: Our wheat makes the best bread in the land!

Sergei: Our wheat makes the best cakes in the land!

Ivanushka: Can I help you in the field? I like our wheat, too.

Andrei: No! Go and collect your mushrooms.

Sergei: Silly Boy! Go back and sit near the stove!

Let's Sing!

Chorus

Scene 2

Narrator: One day, the farmer goes to his field as usual. But when he gets there, he is shocked by what he sees. There are big, heavy footprints all over it and his beautiful wheat is flat.

Farmer: My beautiful, golden wheat! My sons, come quickly!

Andrei: Look at the wheat!

Sergei: Look at these big, heavy footprints!

Farmer: What kind of animal can do this?

Ivanushka: A horse, perhaps?

Andrei: A horse! Don't be silly, Ivan! Go and collect mushrooms!

Sergei: Silly Boy! Go back and sit near the stove!

Let's Sing!

Chorus

Farmer: Look at my poor field! What is this? I want to know! Tonight, my sons, you must stay and guard the field. We must find the animal responsible for this!

Sergei: Don't worry, father. You can count on me!

Andrei: I am not afraid of anything! You can count on me!

Ivanushka: You can count on me, too, father. I can help find this animal.

Farmer: Take Ivanushka, too. He is a good boy and he can help you.

Andrei: Oh, alright, Ivan, come on. But don't get in the way!

Sergei: Ha! And don't fall asleep!

Let's Sing!

Chorus

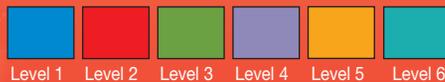

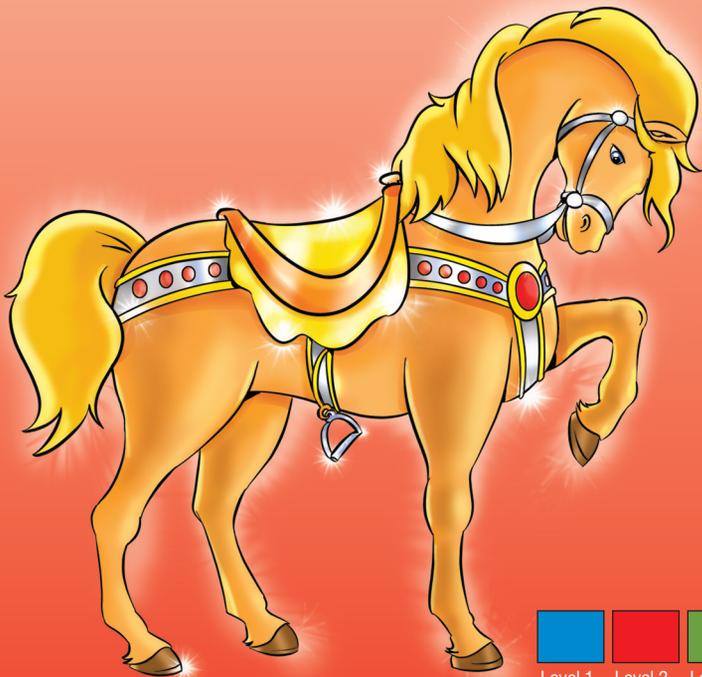

Narrator: That night, the three brothers go to the field. They take some bread and cheese for their supper. They eat and then lie down in the field to wait. The night is very still and quiet. The moon is shining on the wheat, making it look like silver. Andrei and Sergei start to feel very sleepy.

Andrei: There's nothing to see. This is really boring!
