One day, a nightingale in a tree heard
a beautiful girl and a handsome young man
talking in a garden.

"I like you very much, young man.
But I will only dance with you at the Prince's party
tomorrow if you bring me a red rose."

"A red rose?" said the young man.
"All right! I will find one."

The Magic of Love

Chorus: What is this magic
that makes the world go round?
Feel it with your senses.
Can you hear its sound?

Hear it in your mother's voice
when she sings a lullaby.
Feel it when your father's home
and lifts you to the sky.

See it when your friends are sad,
or feeling blue.
Feel it when you want to help
but don't know what to do.

Repeat Chorus

You can get it or give it,
but don't ask its price.
What is it? It's LOVE,
and it's really nice!

Repeat Chorus

Storytime Readers is a series of storybooks especially designed to provide easy and enjoyable reading practice. They have been carefully graded into three stages and have been written in a way that will help teachers to use them as plays, thus providing an early introduction to drama as a means of learning.

Storytime Readers tell tales of friendship, trust, family loyalty, kindness and love using colourful illustrations, dramatised audio recordings and engaging animations to stimulate the imagination of the pupils and encourage them to explore the wonderful world of the English language through literature, poetry and drama.
