On Saturdays, I usually get up at about 10 o'clock. I make my bed and then have breakfast. I often play outside with my dog. In the afternoon, I sometimes watch TV. I never tidy my room on Saturdays. Hi, my name is Donna Lowden and I am from Melbourne, Australia.
I would like to talk about the Moomba Waterfest. We celebrate Moomba in Melbourne every March. On that day, there is a big street parade with decorated cars and people in colourful costumes dance in the streets of the city centre until late in the afternoon. Before the day of the festival, people crown a Moomba king or queen who begins the festival. Moomba is great fun!
Do you have any questions? Thank you for listening to me.

Francis Ford Coppola, the famous American film director, was born in the USA in 1939. His love of films began in 1949, when he made his first film with his father's 8mm camera.

In 1972, he made a very successful film called *The Godfather*. In 1979, he directed *Apocalypse Now*, a brilliant war film that he won an award for. After that, one successful film followed another. *Rumble Fish*, *The Cotton Club*, and *New York Stories* are only a few of Coppola's many famous films.

Francis Ford Coppola is now making a new film in Argentina.

It was Friday evening and I was at home with my brother. We were watching a scary film on TV.

Suddenly, the lights went out and a strange, white shape appeared in front of us. It didn't do anything. It just stood there and stared at us. My brother froze, but I started screaming. I felt very scared.

As I was screaming, I could hear a voice saying "Wake up, wake up!" It was my brother, who was trying to wake me up. It was just a dream! I felt very silly but relieved at the same time!

H Suggested Answer Key

It is a sad fact that many people don't realise that the Earth does not have enough water to last forever. If we don't do something soon, we will have serious problems in the future.

One problem is that people leave the taps running. This means that we use more water than we actually need. This also happens when we water our plants during the daytime because the ground becomes dry quickly and so the plants need more water.

There are some things we can all do to help. One thing we can do is to turn off the taps when we brush our teeth or wash the dishes. If we do this, we will not waste water. Also, we can water our plants in the evening or at night. In this way, plants will not need so much water.

If everyone helps a little, it will make a big difference for our planet and the situation will improve.

G Suggested Answer Key

Hi Oliver,

You asked me to help you choose between swimming and baseball. Well, I think they're both very exciting!

Swimming is a good idea because it's good for the whole body, and you don't get hurt easily. Also, you don't need much equipment. You just need a swimsuit and goggles. The only problem with swimming is that you may need to have many training sessions.

Baseball is good too. It's a team sport, so you meet other people and make new friends. If your team is good, you can travel to other cities and play against other teams. The problem with baseball, though, is that you need a lot of equipment, like a bat, a glove, a helmet and special clothes.

To me, both sports are enjoyable. Think about them and let me know.

Good luck,

James

G Suggested Answer Key

Hi John,

How are you? We moved into our new house this week and I want to tell you about my new neighbourhood.

It's a very nice neighbourhood. There are many shops and a park nearby. Also, there is a baker's which sells

delicious bread and sweets opposite my house. On the right of my house, there is a florist's and on the left, there is a newsagent's where my dad buys his newspaper every morning. If you go down the street and turn left at the first road, you will find a huge supermarket. The only problem is that there aren't many restaurants in this area and the bus stop for the city centre is very far.

I have met my neighbours and they are very friendly. We always talk to each other when we meet in the street or at the shops.

Say hi to everyone and write back soon.

Today, more and more people have access to the Internet at home. Is this good or bad?

One advantage of the Internet is that it helps you find information you need quickly and easily. This is helpful for students doing their schoolwork. Another good point is that on the Internet, you can play many online games. This is not only fun, it also helps relieve stress.

However, the Internet has some disadvantages. It can have hidden dangers for children, as some websites are not always safe or right for them to visit. Also, too much time in front of the PC is not good for our health.

The Internet is fun and can help us with many things but we all need to use it sensibly.

Hi Ben,

I've just come from a concert where I saw Maroon 5 perform live.

Maroon 5 is my favourite band. The band members are from Los Angeles, California and the lead singer's name is Adam Levine. Their music is fantastic. They play pop and rock songs.

I like this band because their songs have amazing lyrics and the vocals on all their albums are simply brilliant. I think one of their best albums is 'It Won't Be Soon Before Long', which came out in 2007, because the songs on this album make me happy and every time I listen to them I want to dance for hours. Have you heard it?

Anyway, I have to go now. Write back soon.

Love,
 Jane

- 48 Carnival is a very big celebration in Brazil. It begins forty days before Easter and lasts four days and four nights, from Saturday to Tuesday. People dress up and parade on the streets.
- 49 Every 13th December in Sweden, people celebrate the festival of Santa Lucia. Girls wear white dresses with red belts and a crown of candles, while the boys wear special white clothes and cone hats with stars. Children leave school early and everyone takes to the streets and sings the Santa Lucia song.
- 50 In Japan, people eat *Tekgut* on 1st January to show that they are a year older. *Tekgut* is a rice cake that people put in beef soup. People prepare it the day before the celebration so it can dry. Then they cut the *Tekgut* and serve it. Some people also add dumplings, to make it taste better.
-

James: Hi Anne! How was your weekend?

James: So, what did you do?
Anne: Nothing much. I stayed home and watched a film on DVD. And you?

Test 4 – Listening

People around the world have different ideas about the things that bring good or bad luck to someone. The Chinese, for example, never do any housework on New Year's Day because they believe that their good luck for the whole year goes away together with the dust and dirt of the house. The English believe that black cats bring good luck, but in the USA many people think that black cats bring bad luck. The French think that black cats are lucky only if you find a white hair on them! Finally, in many countries around the world many people believe that Friday the 13th is an unlucky day, but the Greeks believe that Tuesday the 13th is an unlucky day.

We are inviting everyone to be part of a very special event on Sunday. This special day is 'Plant-A-Tree Day!' We ask that everyone in the community come to Evergreen Park and plant a tree. It is important that we try and plant as many trees as we can. Trees are very important to our environment. If we plant trees, we will reduce carbon dioxide in the atmosphere. Tree-planting will begin at ten o'clock in the morning. All you need to bring is a pair of work gloves. For more information, contact Jenny on 212 444 8502. See you there!

Woman 2: Really? Thanks. I didn't want to wear jeans again.
Woman 1: Well, that skirt looks great on you.
Woman 2: I have a jacket which is the same colour but it's too warm to wear a jacket today.
Woman 1: Never mind. You can wear it another day.
- 46 **Man:** I'm trying to book tickets for my holiday in Italy.
Woman: Didn't you go to Italy last year?
Man: No, I was in England last summer.
Woman: Why don't you go to France? I hear it's got some great beaches.
Man: Hmm. Maybe next summer.
- 47 **Man:** So, what did you see while you were on holiday?
Woman: Well, my friend wanted to go to the top of a very tall skyscraper and I wanted to visit the royal palace.
Man: And what did you choose?
Woman: Not one or the other! We visited an old castle instead!

- 48 **Man 1:** How was your holiday?
Man 2: Fantastic! We went by train and it was slow but very relaxing.
Man 1: Why didn't you go by plane?
Man 2: Because my wife's afraid of flying and it was too far to go there by car.

Test 7 – Listening

Tony

I've played football since I was six years old and now I want to do something different. My brother thinks I should join his basketball team, but I want a sport which is more challenging, so I've decided to try cricket. It's not as exciting as kayaking, or as challenging as speed skating, but I'm sure it'll be fun!

Lisa

When I was young I loved gymnastics. Even when I had a lot of homework for school, I still found time for my favourite sport. I remember that when I was 12 I pulled a muscle in one of my training sessions but that didn't stop me. Four years later though, I fell off my bike and broke my leg. I had to stop gymnastics for five months, until I was OK again.

Sarah

I think that rock climbing is a thrilling but difficult sport. I need to be very careful and make sure I wear my helmet, knee pads and gloves when I go rock climbing. Last week, as I was climbing in the Lake District, I lost one of my knee pads and I cut my leg on the rocks. Luckily for me, it didn't bleed very much.

Bobby

I love sports! I've tried rugby, judo, snowboarding and rock climbing. I like all of them even though in the last few years I've broken my arm, bruised both eyes, sprained my ankle and cut my leg. Sports are still my passion and next week I'm starting tennis lessons. Who knows? Maybe I'll try kayaking after that, but I'm not sure.

Lady: They're just over here. Follow me.
Sofia: Thank you.

- 49 **Man:** Hello. Can I help you?
Woman: I'd like to try these boots in a size 6, please.
Man: Take a seat and I'll get them for you.
Woman: Thank you.
- 50 **Waiter:** Hello. What would you like?
Man: I'll have two burgers, please.
Waiter: OK, would you like something to drink?
Man: A Coke, please.

Test 9 – Listening

- Tom:** Hi Ben! It's Tom. I was wondering if you would like to come over and see *Doctor Who* with me.
Ben: *Doctor Who*? That's my favourite show! Sure! When?
Tom: Well, it's on at 7:00, tomorrow night.
Ben: Tomorrow? Hmm, that's Saturday. Let me think if I've got to do anything ... nope! Nothing! Ok! I'll be there! Should I bring anything?
Tom: You can bring some popcorn, if you like.
Ben: OK! Sure. See you then!

Test 10 – Listening

- e.g. **Girl:** MTV is my favourite channel because I can listen to all the new songs and enjoy performances by my favourite singers and bands.
- 47 **Woman:** I don't have much time to watch TV. The only thing I like watching are shows where I can learn about wildlife and the world of animals. And I never miss Jack Hanna's show!
- 48 **Man:** I always want to know what's going on in the world, so I always watch the six o'clock news. I also find out about the weather and learn the latest sports news.
- 49 **Boy:** I never miss my favourite Bugs Bunny and Pokémon shows at the weekend. I sometimes watch *The Simpsons* and *Dragonball Z*, but not too often.
- 50 **Boy:** I play football, basketball and rugby, so every time there is a programme about my favourite sports on TV I watch it. I don't like watching the news or documentaries, though. I think they're boring!
