2 white 5 tusks
3 tail 6 good

Audioscript

A white elephant is a special kind of elephant. It is rare and lives in Thailand in Asia. Its skin is white and becomes a bit pink when it is wet. It has a short tail and a long trunk. Its tusks are short, not like the long ones of the African elephants. People of Thailand and other countries of Asia believe that the white elephant is a symbol of good luck. Today about 30 white elephants exist in the world.
