

# Teaching Gratitude My Gratitude Cape

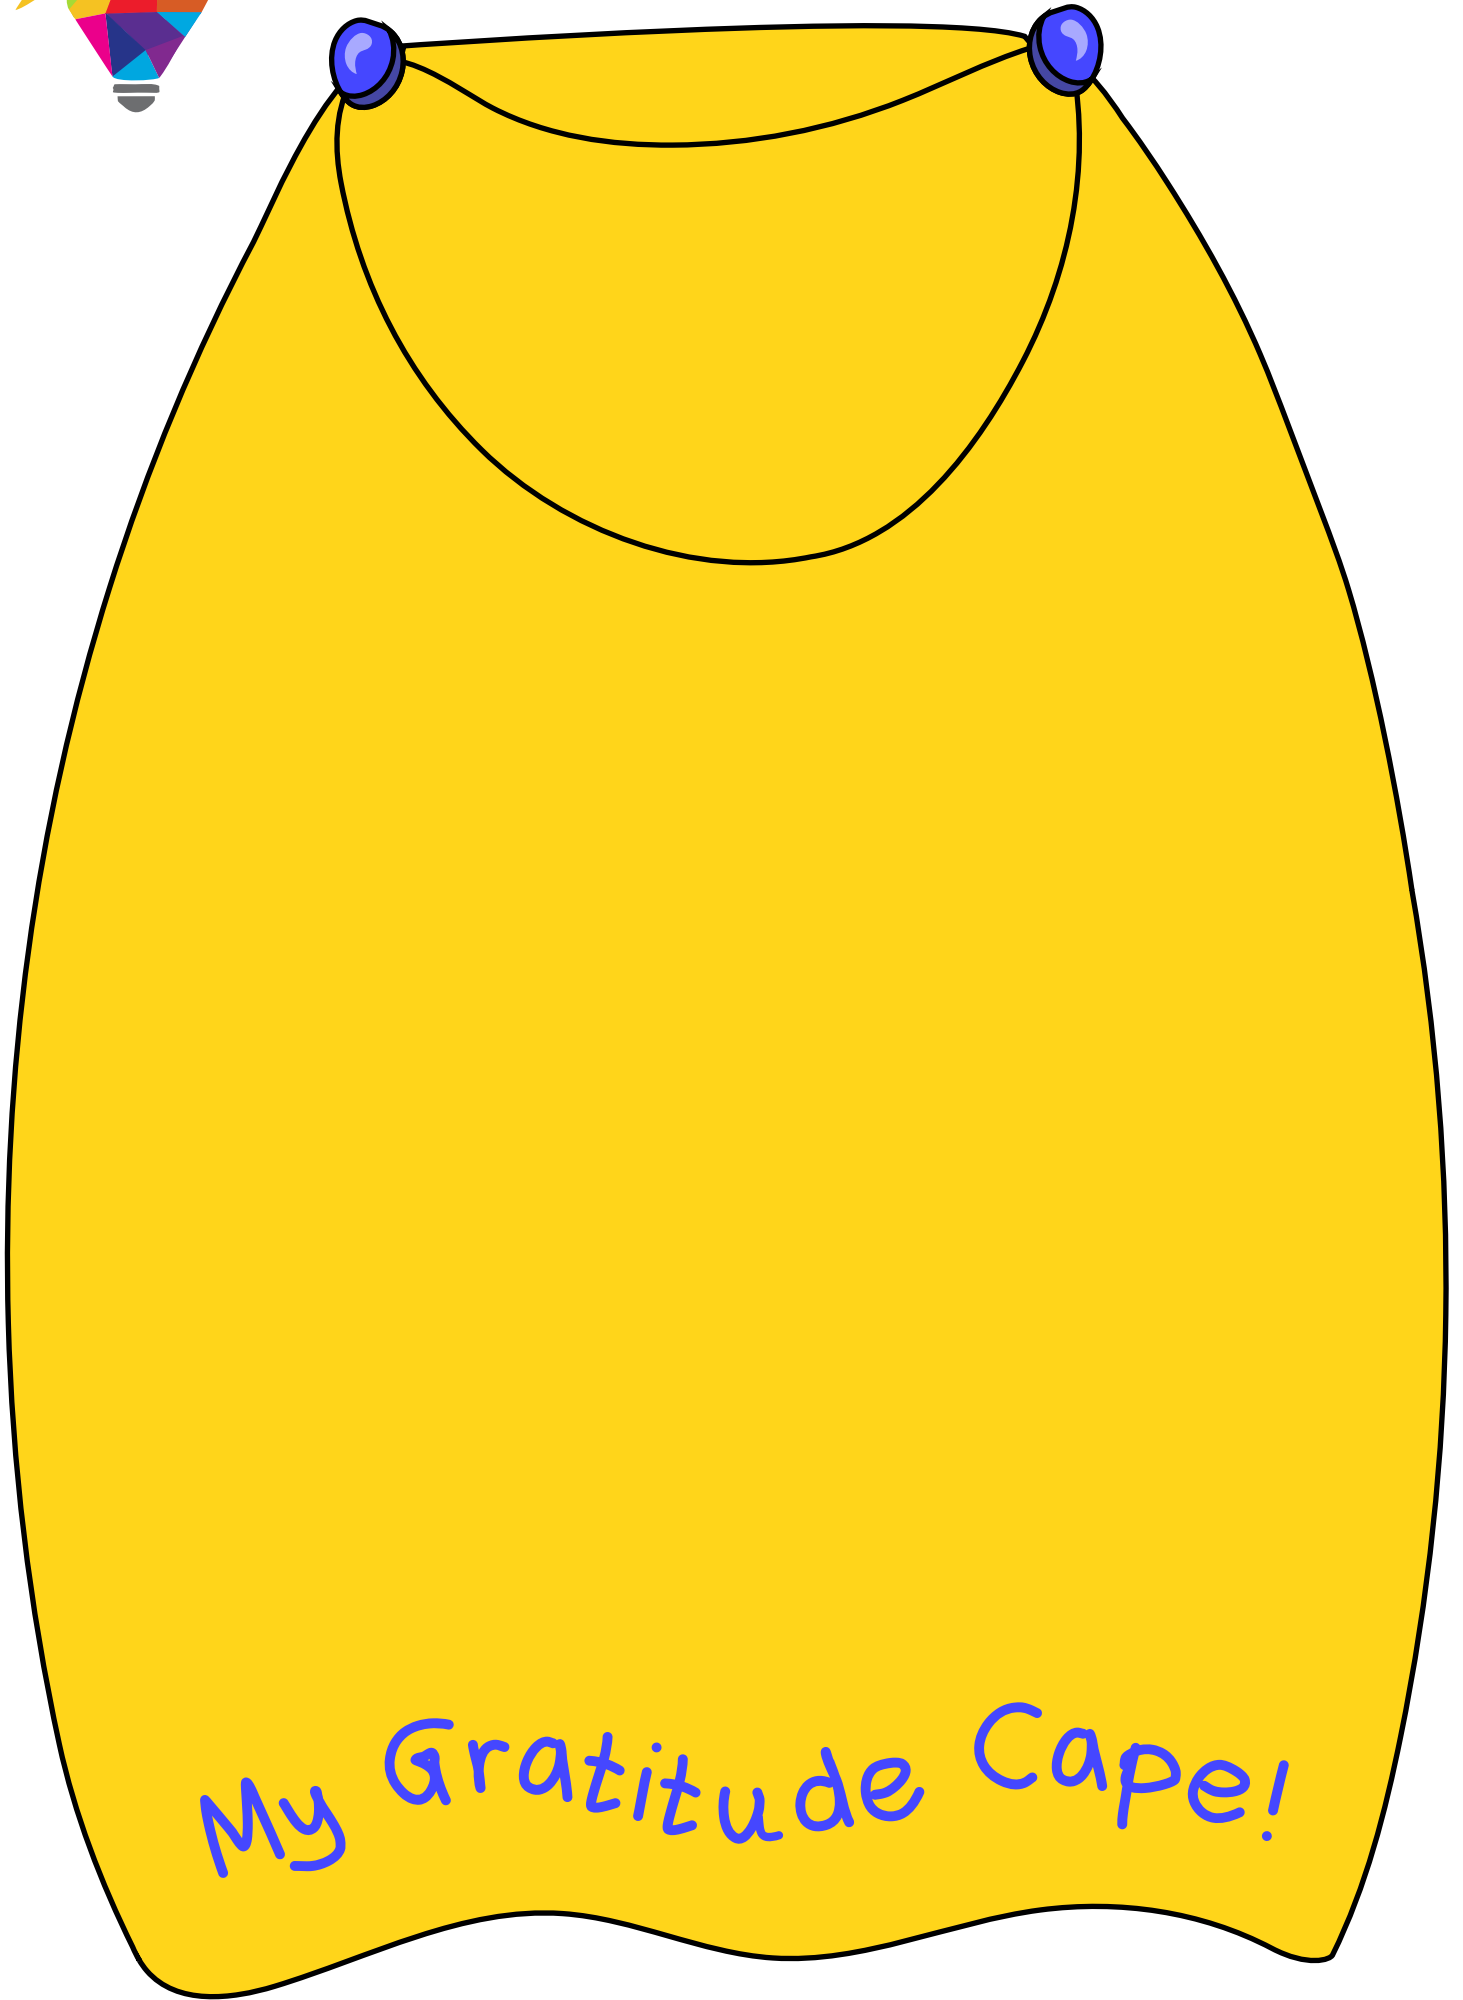

## You will need

- photocopies from the appendix, one for each student
- decorative stuff (stickers, colour markers, glitter etc)
- ribbons

1. Use either coloured photocopies or the BW ones for all the students. Consider to print it in A3 if possible.
2. Tell students to write down anything they are grateful for on the cape and decorate it.
3. After completing each cape the children should cut it out and adjust a ribbon on it. You will need a 50-60 cm piece of ribbon for each cape.

## Teaching Kindness My Love Dice

1. *Print in A4.*
2. *Glue the photocopy on a piece of cardboard.*
3. *Cut out the dice, assembly it and use it during the task.*

# Teaching Resilience My Magic “Help Myself” Toolbox

## You will need

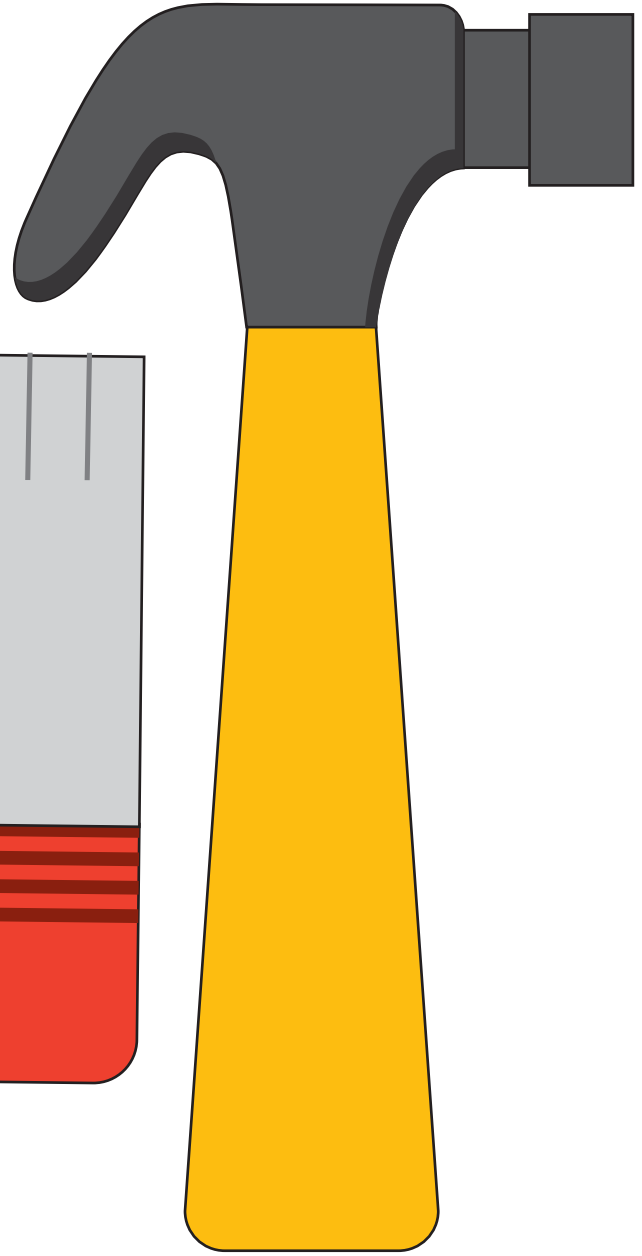

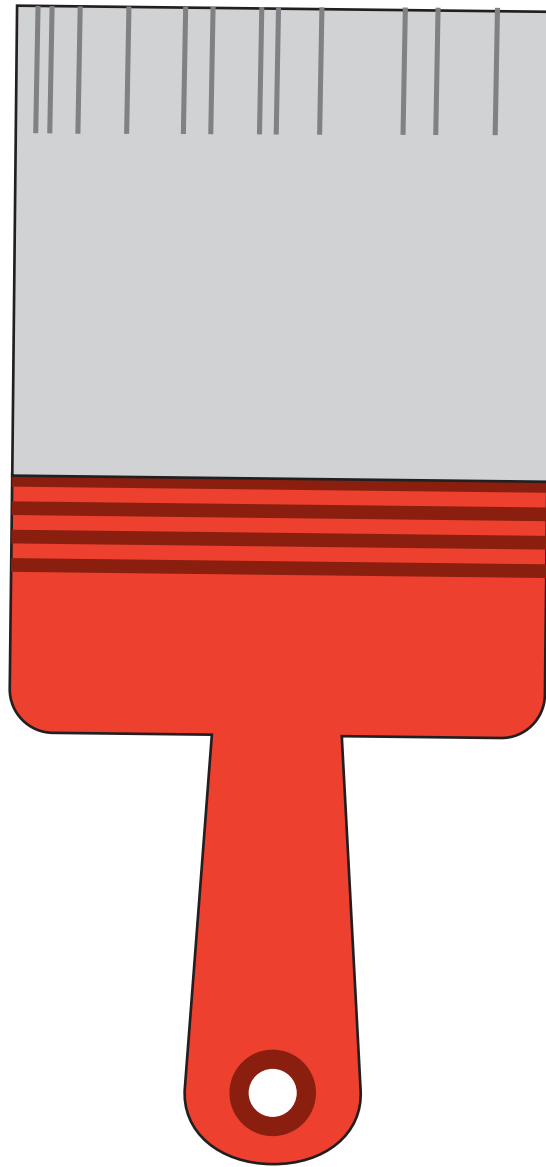

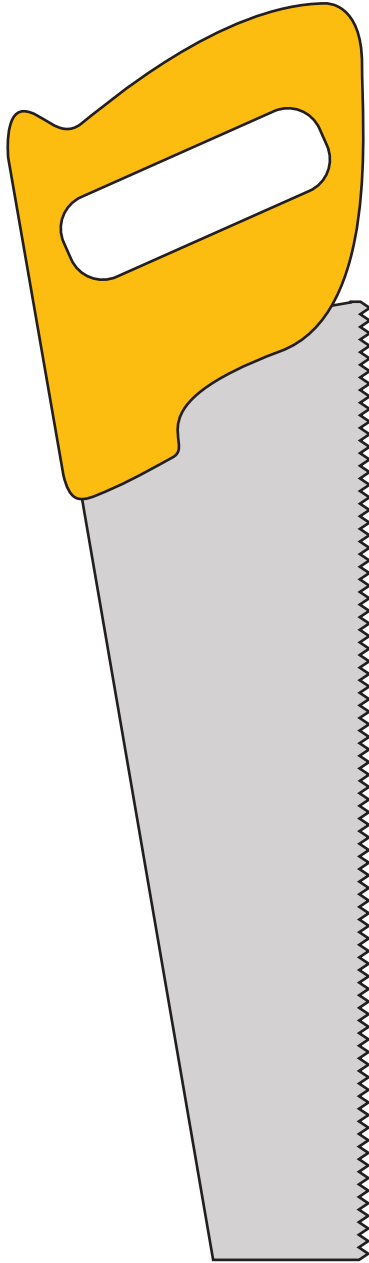

- a box or an envelope
- photocopies of the label and the tools (for each student)
- glue

1. Use a box or an envelope and stick the toolbox label on it. This will be your Magic “Help Myself” Toolbox.
2. Tell students to cut down all the tools, or prepare them yourself before hand in order to save time
3. Together with your students decide which phrase should be written on each tool.
4. Place the tools in the toolbox.
